

HP Channel Event in a Box

Make a statement at your in-person events with Event-in-a-Box kits

We're thrilled to share these new in-person event tools with **Power and Power Services Partners** to make it easier than ever to drive new business. Our Event-in-a-Box kits are made to amplify our partnership and presence at all your upcoming client-facing events.

Secure your kit

Submit your request through the Drive to Thrive landing page, where you will find the "Get your kit" option. Fill out the short form, and your PBM will contact you to discuss next steps and submit the request on your behalf.

Show up your best at your next event – [secure your kit today](#).

Kit items and specifications

- **Dimensions:** The framing of the kit is structured in 3 squares by 3 squares.
- **Final product size:** Upon assembly, the finished product measures 8 feet by 8 feet. Equipped with stabilizing feet to ensure secure placement on the floor for enhanced stability.
- **Packaging:** The kit is shipped in a durable hard case on wheels, measuring 40 inches in length, 27 inches in width, and 17 inches in height.
- **Table cloth:** one per kit, 8 feet long
- **Steamer:** one per kit

HP with Intel and Microsoft

*While supplies last.
Maximum order of 75 per event.

How to participate

1. Request your kit

Submit your request through the Drive to Thrive landing page, where you will find the “Request a Kit” option.

Your PBM will be required to submit the details for your upcoming event at least 2 weeks in advance. Include event description, location, expected attendees, audience type, event dates, and other pertinent information that the form requires.

2. Receive your kit

Once requested, your kit will be delivered 1 day prior to your event, along with a steamer. The PBM will be responsible for management, set up, steaming, and shipping the kit back.

3. Return your kit

Please return your kit and steamer within 2 business days post event in proper condition. A return label will be provided, as well as a kit condition checklist to be completed.

If you have any questions, contact lucial@thinkubik.com for assistance.

4. Tell us about the event

We want to hear about your event! Please share a recap of your event and photos within 1 week. Send them to your PBM.

We ask that you share photos of the setup, audience type, number of attendees, topics discussed, and outcomes specific to follow-up meetings scheduled.

Questions?

Contact your PBM. Feel free to share special requests or ideas for future inventory to support your upcoming event. We're looking forward to your participation and successful events ahead. Thank you!
